

Edged Collection

ethos

Welcome to our Edged Collection

This collection consists of three contemporary door styles, designed with versatility and functionality in mind.

Characterised by sharp lines, perfect proportions and distinctive edging, they provide flexible design solutions that are both simple and beautiful. However, the more understated the style, the more important the choice of finish becomes.

This collection provides an extensive range of High Gloss, Super Matt, Legno and Authentic Wood Effect Textures, allowing you to push the boundaries of design and create spaces that reflect your individuality.
